2015 Camporee – Twin Bayou District Skill Event Areas – Troop _____

Please select an area(s) that your troop will put on for the Webelos. Please refer to the Outdoorsman, Readyman and Forester Activity Pins requirements for relevant Webelos Skills Information. The Camp Staff will review these lists to try and avoid redundancy.

Return this form with your registration

First Aid:

- realistic first aid scenarios. Webelos come to the scene and solve the first aid situation using Readyman skills, Scouts use Second and First Class first aid skills.

Knots:

- displays of Webelos and Scout knots
- show how to tie basic knots
- make rope and/or whip rope ends

Fire Building:

- show different fire lays, including an LNT mound fire.
- show types of fire starters and types of fuel (size of wood)
- show how to start fire without matches
- have Webelos Scouts build and light a fire

Knots and Pioneering:

- have display of types of knots and lashing
- build camp gadgets (use correct lashings)
- have Webelos Scouts use knots to erect tent, tarp or flag pole.

Cooking:

- show different methods of camp cooking
- set up cooking area ... Talk about safety
- show how to cook something
- have Webelos Scouts try to make and then taste

Model Campsite:

- set up a model campsite using BSA guidelines
- show tent areas, dining areas, cooking areas, etc
- have Webelos Scouts set up a tent

Compass:

- show how to use a compass and maps
- show how to read a map
- show how to use compass with a map
- have Webelos Scouts do a short, simple compass course
